

RAPID CONTROL

FACTORY AUTOMATION EXPERTS

PRODUCT CATEGORIES

Pneumatics

- Accessories
- Air Bags
- Check Valves
- Clamp Cylinders
- Fittings
- Flow Controls
- Grippers
- Manifolds
- Air Prep (FRLs et al.)
- Presses
- Quick Exhaust Valves
- Tanks
- Valves
- Needle Valves
- Rubber Hose

Automation

- Brakes
- Cables
- Cat Track
- Counters & Timers
- End Of Arm Tooling (EOAT)
- Linear Actuators
- Modular Tooling & Components
- Rotary Actuators
- Sensors
- Machining Spindles & Accessories
- Switches
- Safety Devices & Light Curtains

Assembly

- DC Electric Assembly Tools
- Cordless Assembly Tools
- Cordless Blind Rivet Tools
- Pneumatic Assembly Tools
- Tool Balancers
- Torque Arms

Ergonomic and Material Handling

- Fencing and Guarding
- Modular Workstations & Accessories
- Cordless Power Tools
- Corded Power Tools
- Structural Aluminum Extrusion
- Vacuum Cups
- Vacuum Pumps & Generators
- Vacuum Lifters & Manipulators
- Workstation & Ergonomic Equipment

Welding

- Electrodes & Consumables
- Controllers
- Weld Cables
- Transformers
- Weld Cylinders

SERVICES

Engineering Services

- Bill Of Materials Creation & Management
- Manifold, Cylinder, and Sub-Component Assembly
- Electro-Pneumatic System Design Support

Structural Aluminum Extrusion

- Engineering and Design
- BOM Kitting
- Turn-key build
- Cut-to-specification
- Large Stock on Hand

Assembly Systems

- Process Development & Equipment Recommendation
- Continuous Improvement
- Maintenance, Repair, and Calibration
- Engineered Systems & Integration Support

Logistical Support

- Vendor Managed Inventory
- Usage reporting and forecasting
- Locally-stocked inventory
- Available same-day delivery on select items
